PASSING STOLEN STOCK IS CHARGE

SAN FRANCISCO, April 21.—Accused of passing stolen mining stock certificates, H. D. Chany, formerly an employe of the Sandstone Gold Mining Company at Goldfield, was arrested at Victorville, San Bernardino county, on the advice of the local police last night. Detective Steve Bunner will leave today to bring him to San Francisco.

The complaint against Chany was filed by H. H. Norwood, a stock broker, 306 Bush street, who has declared that Chany tendered him five certificates, each calling for 1000 shares of stock in the Sandstone Gold Mining Company, last February. According to Norwood, he disposed of the certificates and gave Chany a check for \$1442.75.

A few weeks later he discovered from the Sandstone Gold Mining Company that Chany, who had been employed there, had suddenly disappeared and that with his disappearance a number of certificates signed in blank were found to be missing.

Norwood put the matter in the hands of the police and Detectives Bunner and John Free traced Chany to Victorville. Norwood went down to identify him and on declaring that he was the party wanted Sheriff J. C. Ralphs made the arrest.

GATES MAY TAKE LITTLE FLORENCE

GOLDFIELD, April 21.—Charles G. Gates, accompanied by a party of friends, arrived in town yesterday afternoon. With him were his brother-in-law, Melvin D. Martin, Walter H. Dupee and Ramsey C. Bogy, all of the John W. Gates Brokerage Company of New York City. This concern is the biggest brokerage firm in the country, and the head of it is the son of John W. Gates, who is considered the wisest as well as the most daring plunger that ever entered the sacred precincts of Wall street. It is excellently reported that the party is looking for the purchase of a big mine, and the higher the price, if the property will bear inspection, the better they will like it. John H. Hobbs, one of the shrewdest and most successful mining men that has been developed in the Western country for many a year, is also in the party. It is not known definitely that his advice in regard to any proposition or investment will be followed but it is a safe conclusion that it will be looked into thoroughly before being passed upon.

GOULD DENIES RUMORS.

NEW YORK, April 21.—Frank J. Gould, whose domestic affairs have been the subject of much public discussion during the last few days, today addressed the following telegraphic message to the Associated Press:

"Hot Springs, Va., April 21.—The Associated Press, New York: Alleged interviews with me are untrue. I have refused and must positively refuse to discuss my personal affairs.—Frank J. Gould."

Location notices in triplicate—handiest affair for prospectors and miners—contains carbon—150 notices in book. For sale at the Bonanza office.

RACIAL PREJUDICE

MacPherson—Hear about the Italian bank breakin' in New York? One cent was all that was left. O'Rafferty—Fwhat was ut? Garlie?—Chicago Tribune.

COPPER HANDBOOK

(New edition issued March, 1908.)

SIZE—Octavo. PAGES—1228. CHAPTERS—25.

SCOPE—The copper industry of the world.

COVERING—Copper, History, Geology, Geography, Chemistry, Mineralogy, Mining, Milling, Leaching, Smelting, Refining, Brands, Grades, Impurities, Alloys, Uses, Substitutes, Terminology, Deposits by Districts, States, Countries and Continents, Mines in Detail, Statistics of Production, Consumption, Imports, Exports, Finances, Dividends, etc.

The Copper Handbook is concededly the

WORLD'S STANDARD REFERENCE BOOK ON COPPER.

THE MINER needs the book for the facts it gives him regarding Geology, Mining, Copper Deposits and Copper Mines.

THE METALLURGIST needs the book for the facts it gives him regarding copper milling, leaching, smelting and refining.

THE COPPER CONSUMER needs the book for every chapter it contains. It tells what, and explains how and why.

THE INVESTOR IN COPPER SHARES cannot afford to be without it. The Copper Handbook gives statistics and general information on one hand, with thousands of detailed mine descriptions on the other, covering the copper mines of the entire world, and the 40 pages of condensed statistical tables alone are worth more than the price of the book to each and every owner of copper mining shares.

PRICE—\$5.00 in buckram with gilt top, or \$7.50 in full library morocco.

TERMS—The most liberal. Send no money, but order the book sent you; all carriage charges prepaid, on one week's approval, to be returned if unsatisfactory, or paid for if it suits. Can you afford not to see the book and judge for yourself of its value to you?
